

REMARKS

By the present preliminary amendment, the specification of the accompanying divisional application has been amended at page 1 to make reference to Applicant's prior non-provisional patent application. In addition, Claims 1-12 have been canceled. Claims 13-20 remain pending in the accompanying application. The pending claims are directed to the embodiment of Applicant's invention shown in Figures 7-10, which was non-elected in the parent application pursuant to the Examiner's election requirement.

Entry of the present amendment prior to calculation of the filing fee and formal examination on the merits of the application is respectfully requested.

Respectfully submitted,
